Buzzzzzz ...

Building creativity and collaboration

English activity

4Wa1 Write character profiles, using detail to capture the reader's imagination.

- ▶ How does the activity help to develop:
 - ▶ confidence?
 - ▶ collaboration?
 - ▶ creativity?

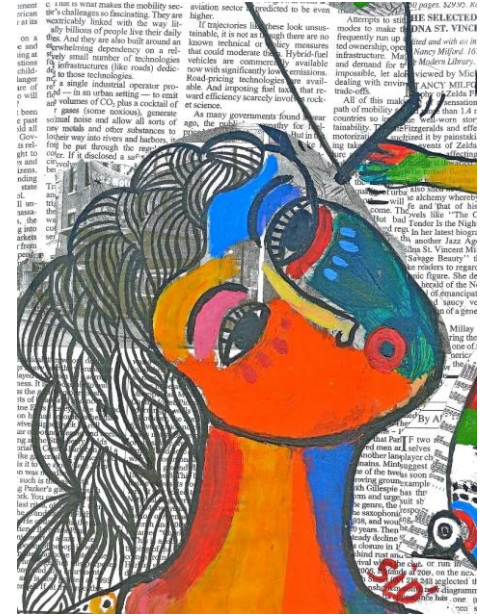

Variations on activity

- ▶ **Art:** Create an artwork in response to ideas.
- ▶ **Music:** Create a composition in response to ideas.

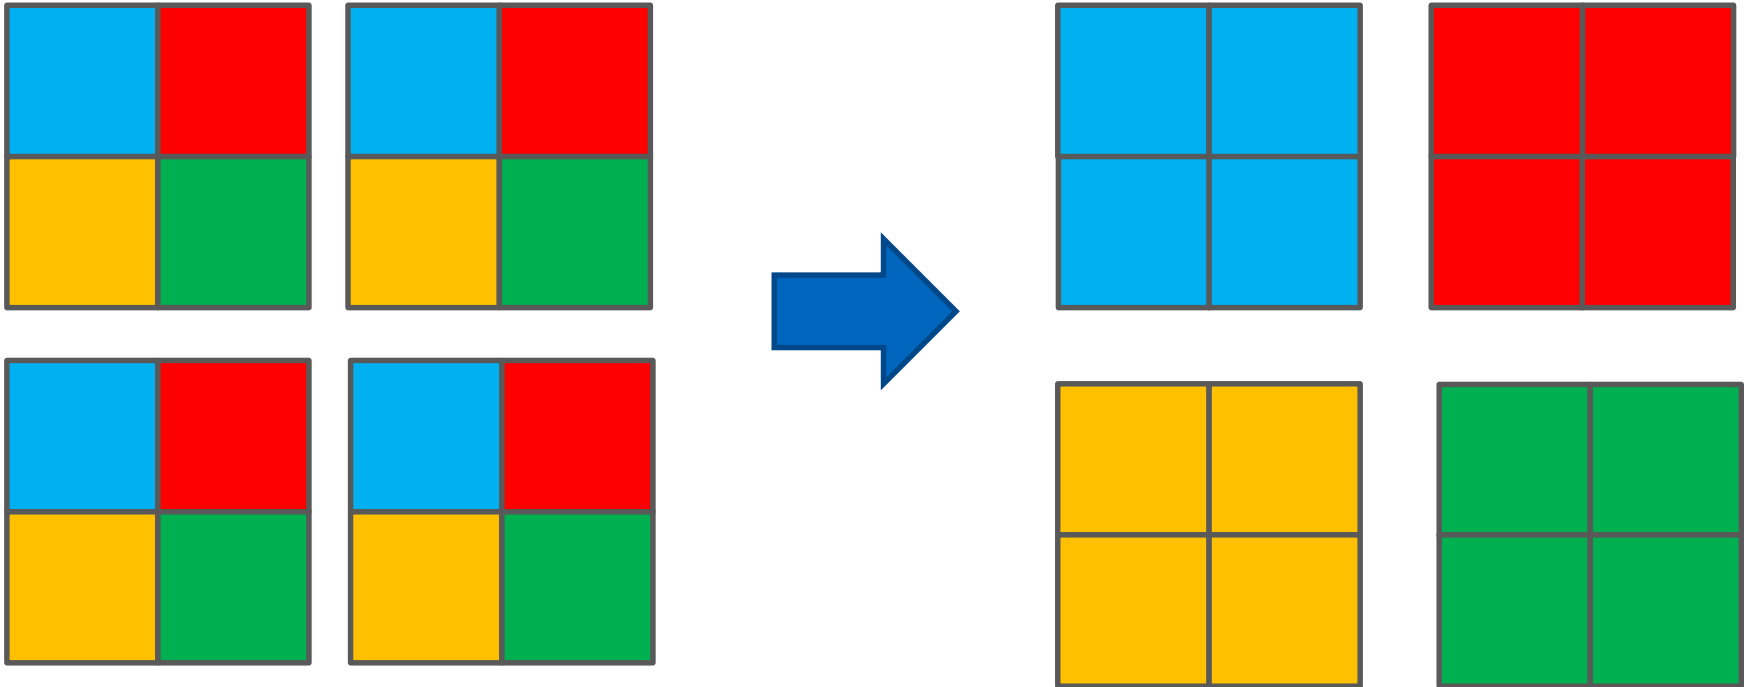

Read a description of a character or setting

Think-Pair-Share ideas

Create

Collaboration techniques: Rainbowing

Rainbowing activity

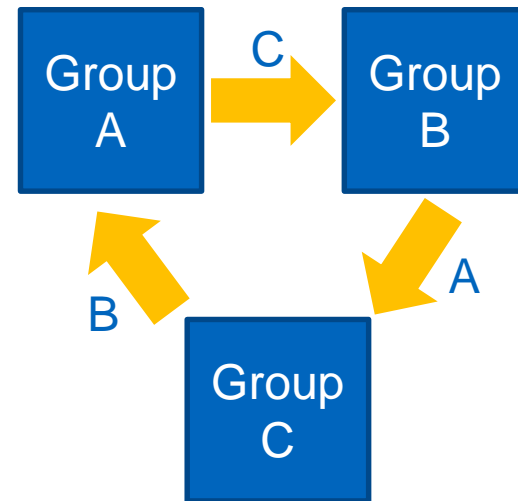

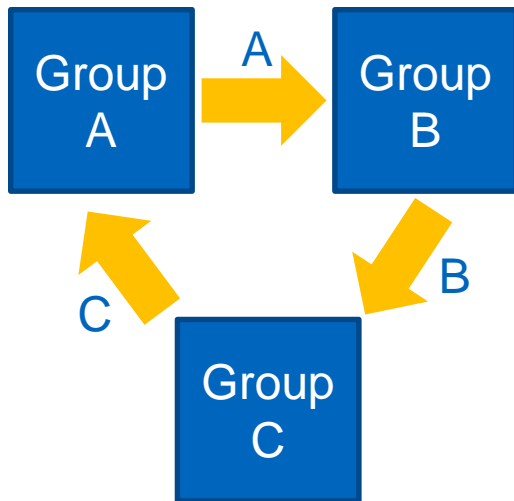

2Pt3 Explore number problems and puzzles

Today is Junior's Granny's birthday. She is younger than 60 but older than 50.

- ▶ **Clue 1:** If you add the digits in Granny's age, you get an even number.
- ▶ **Clue 2:** Both of the digits in Granny's age are odd.
- ▶ **Clue 3:** The two digits in Granny's age are different.
- ▶ **Clue 4:** If you add the digits in Granny's age, you get a 2-digit number with next-door digits.

How old is Granny?

Collaboration techniques: Envoys

Envoys activity

4Be1 Investigate how different animals are found in different habitats and are suited to the environment in which they are found.

Sort the cards into sets of three:

Living thing

Habitat

Adaptation

Reflection

Confidence

Collaboration

Creativity

What ideas do you have for building confidence, collaboration and creativity in the primary classroom?

Thank you
