

## Cambridge IGCSE (9-1) candidate grades November 2020

### Cumulative world totals grades 9 - 1

These figures may differ from those of previous November series because the population of candidates making entries was different. The awarding standard in November 2020 was aligned to that of equivalent qualifications taken in England.  
We offer two different grade sets to report candidates' performance in a number of Cambridge IGCSE syllabuses for schools in administrative zone 3, and in UAE and Oman.  
The 9-1 syllabuses and corresponding examinations included in this document are identical to their equivalent A\*-G graded syllabuses.
